Miscellaneous Communication

Petition to Correct Inventorship

Pursuant to 37 C.F.R. § 1.48(b)

The examiner was informed by applicants' representative (Nancy Johnson) in a telephonic conversation conducted on 02 December, 2005, that the originally filed petition to correct inventorship (submitted 26 May, 2005) had never been considered. In view of the papers filed 26 May, 2005, it has been found that this non-provisional application, as filed, through error and without deceptive intent, improperly set forth the inventorship, and accordingly, this application has been corrected in compliance with 37 C.F.R. § 1.48(b). The inventorship of this application has been changed by **deleting Scott A. Jeffers and Michael A. Fischbach** as inventors. The correct inventors are **David A. Saunders, Richard J. Kuhn, Curtis M. Sharkey, and Cynthia L. North.**
